This form is accompanied by my check or money order payable to National Union Fire Insurance Company of Pittsburgh, Pa. Coverage begins at 12:01 a.m. on the effective date of the coverage term selected below, or on the day after the date this form and payment are received, if later, and terminates on the earlier of a) the date the Policy terminates; b) the last day for which premium has been paid: or c) the date the Covered Person enters the armed forces. Dependents must enroll for the same coverage(s) and coverage term as the Covered Student and coverage may only be purchased, and would terminate simultaneously and in conjunction with the Covered Student's coverage.
